

# Dedicated to Making **Hereditary Cancer Testing** Affordable for All Patients

## BROAD INSURANCE COVERAGE

97% of private insurance companies have coverage for Myriad's tests.

Your patient may get an Explanation of Benefits (EOB) from their insurer. This is not a bill. If there is a concern regarding an EOB, your patient should contact Myriad.

## EXPANDED ACCESS

Myriad will process and release samples that meet NCCN, USPSTF, and ASBS criteria.\*

## FINANCIAL ASSISTANCE PROGRAMS

Myriad has many options to help patients with any out-of-pocket costs including:

- The Myriad Financial Assistance Program (MFAP) offers reduced out-of-pocket cost based on family income, size and medical expenses - [myriadpromise.com](http://myriadpromise.com)
- Interest free payments as little as \$15/month

**75%** of patients **pay \$0**

**≥90%** Patients have or will qualify for a **payment of \$100 or less**

**100%** patients are covered by the **Myriad Promise**
